SUNDAY, OCTOBER 9, 2016 – 8:00 a.m. SHARP!

Congratulations!

You have been accepted as a competitor in the 21st annual Steamtown Marathon to be held on a point-to-point, USATF certified course through 14 historic communities in Northeastern Pennsylvania.

This confirmation letter contains important information about the Marathon. Please read it very carefully.

GENERAL INFORMATION

The Steamtown Marathon is a 26 mile, 385 yard foot race. The course drops 955 feet in elevation from start to finish. The greatest drop in elevation occurs during the first eight miles. The course features more than four miles of mostly paved Rails to Trails along the Lackawanna River. Go to www.steamtownmarathon.com and click on "Course" for details. The finish line will be on N. Washington Avenue in Downtown Scranton adjacent to the Lackawanna County Courthouse.

The Marathon benefits St. Joseph's Center, Scranton. The Center assists families in need and children who are neurologically impaired and multiply handicapped. Since 1996, the Marathon has donated more than \$1.4 million to St. Joseph's. See www.stjosephscenter.org.

RULES & REGULATIONS

Participants must be able to maintain at least a 13-minute per mile pace. Unofficial wheeled vehicles (strollers, bikes, baby joggers, skates, skate boards, roller blades, etc...) are not permitted on the course. Traffic control and health and safety volunteers and officials will vacate the course six hours after the start (2:00 p.m.). Anyone who continues to run on the course after 2:00 p.m. will be doing so **at his/her own risk**.

Runners are respectfully asked not to wear I-Pods or any other devices over their ears though they will not be disqualified if they do. Pets are banned from the course. Unofficial pacers (persons not officially entered in the race) will not be allowed on the course at any time!

Only validly entered runners may participate. **No one under the age of 18 on October 9, 2016 will be allowed to compete in the Marathon.** By participating in this event and signing the waiver/release on the entry form you have agreed to hold harmless USATF and its local associations.

The race will be videotaped at several checkpoints to ensure competitors who cross the finish line have done so after completing the entire course. The Race Director reserves the right to disqualify any individual who does not comply with these rules.

TRAINING WARNING

Marathons are extremely strenuous events. The Steamtown Marathon will be a challenging race to runners of all skills, especially first-time marathoners. A conscientious training program would consist of no fewer than fifteen 20 to 40 mile weeks leading up to the race. Numerous long runs of 13 to 20 miles would have been included. **PLEASE DO NOT COMPETE IF YOU ARE NOT ADEQUATELY TRAINED!**

Every step will be taken to control traffic along the Marathon course. However, be advised that the course will be run along public streets and roadways including several that must be kept open during the race. **BE ALERT FOR TRAFFIC AT ALL TIMES!**

The weather in Northeastern Pennsylvania in mid-October is very unpredictable. The normal daily low is 42 degrees and the normal daily high is 61 degrees, however, temperatures on race day could range anywhere from 25 degrees to 85 degrees. Please monitor the weather and dress appropriately.

LODGING

If you need help finding a hotel room, please call the Lackawanna County Convention & Visitors Bureau at 1-800-270-0544 (Monday through Friday during standard business hours). Additional information can be obtained by going to www.steamtownmarathon.com and clicking on "General Information" and then on "Travel and Lodging."

BUS TRANSPORTATION/PARKING

Because the Steamtown Marathon will be run on a point-to-point course, and because automobile parking near the starting line area will be **limited**, competitors are **encouraged** to utilize the free bus transportation that will be provided on race day. Competitors may begin boarding buses on race

morning at 5:30 a.m. Buses will depart at approximately five-minute intervals. **The last bus will leave for the starting line at 6:45 a.m!** The trip will last approximately 45 minutes. Unfortunately, the Marathon cannot provide bus transportation to friends and families of competitors.

Bus boarding will take place in Downtown Scranton in the 400 block of Spruce St., at the intersection of Spruce St. and Wyoming Ave., just one block from the finish line. Port-a-lavs will be available at the finish line.

You can park for free on race day at any of the numerous meters in Downtown Scranton that do not say "no parking" (see Downtown map.) There are also three pay-to-park garages in close proximity to the finish line. Two are on Adams Avenue between Lackawanna Avenue and Spruce Street. The third is located on the corner of Linden Street and N. Washington Avenue (enter from Linden Street only). Please note that these garages use pay stations (no staff will be present) so be absolutely sure you have a credit card or cash on hand when you go to retrieve your vehicle.

The Marathon will not provide return transportation to the starting line after the race.

IMPORTANT NOTICE!

With the safety of our runners, volunteers, and spectators in mind, The Steamtown Marathon race committee has banned runner knapsacks, gym bags, duffel bags, drawstring bags and similar non-transparent bags on our buses, at the start and at the finish.

Runners interested in having their belongings transported from the start to the finish can obtain a free, clear plastic bag at the packet pick-up table at the race expo. These clear plastic bags will also be available at several baggage stations at the start area. and at the buses on race morning.

The bag ban **does not apply** to hydration packs, hydration vests, hydration belts and fanny packs. Please be advised however, that law enforcement officials and/or marathon race officials may ask to examine such items, especially upon boarding a bus on race morning or entering Forest City High School at the starting line. Such an examination should take just a moment or two. The marathon asks that you be cooperative should you be asked to submit to such an examination.

At the starting line, runners are allowed to go inside Forest City High School to stay warm and dry. Runners are strongly advised to pack lightly and limit the belongings they wish to have transported to the finish. **Under no circumstances should runners attempt to board a bus on race morning carrying a non-transparent bag.** Runners who have their own transportation to the starting line should also not bring their belongings in a non-transparent bag. UPS will transport runner belongings to the finish.

Runners who refuse to comply with these security measures risk having their bags confiscated by law enforcement officials. The Steamtown Marathon thanks you in advance for adhering to this important safety regulation.

Spectators who bring bags of any type to the start, along the course, or the finish should not leave them unattended at any time. Spectator bags will be subject to search by law enforcement officials.

From Downtown Scranton (an approximately 45-minute drive)

- From bus pick-up at Wyoming Avenue and Spruce Street, follow Wyoming Avenue (head away from Mall at Steamtown) two blocks to Mulberry St. Turn left onto Mulberry Street.
- Follow Mulberry St. three blocks. Stay straight to enter Scranton Expressway. Follow Expressway 3.1 miles to Y in road then bear right towards “**Business Route 6 East/Dickson City**”.

NOTE: If you are traveling on I-81 North from Scranton and points south, take 191A (Business Route 6 East/Dickson City) and follow the below directions.

- Follow **Business Route 6 East** approximately 11.8 miles all the way to Main Street in Carbondale.
- While traveling on Business Route 6 East you will pass the Viewmont Mall and numerous shopping malls, restaurants, car dealerships, etc... As you get close to Main Street in Carbondale you will pass Carbondale High School and then a Shopping Center and Burger King on your left. **Stay on Business Route 6 East!**
- Upon arriving in Downtown Carbondale, make a left turn at the traffic light onto Main Street (**watch for detours by local police**).
- Travel approximately ½ mile through Carbondale on Main Street.
- Just past the YMCA, turn left at the light onto N. Church Street.
- Drive less than 1/10th of a mile (around curve) and make a left onto **Route 171 North**.
- Follow Route 171 North approximately six miles (through Simpson and Vandling) to Main Street in Forest City.
- Once on Main Street in Forest City look for signs for “Bus Route” and for 247 South (Dundaff Street).
- Make a left onto Dundaff Street (247S) and go uphill (**or follow directions by local police**).
- Travel two blocks uphill and make a left onto Hudson Street then follow signs to Forest City High School.
- Upon arriving at the school, drivers will be directed to a runners’ drop off point and then redirected off of school grounds. If you plan to bring a runner to the start, drop them off, and then leave immediately, you will be able to use the roads you took to get to Forest City. However, if you stay to watch the start of the race (not recommended), those same roads will be inaccessible and you will need to use an “escape route” to leave the area. Visit www.steamtownmarathon.com and click on Directions to see escape route. **Spectator parking at the start is very limited.**

Escape Route Out of Forest City To Viewpoint # 1

If you drive an athlete to the starting line, you will be able to drop them off and leave right away using the roads you took to get there. However, shortly after the race starts, Route 171 (very likely the road you took to get to Forest City High School), will be filled with runners. Therefore, if you stay to watch the start, you will need to follow an “escape route” to leave the area and get to Viewpoint #1.

The following route is recommended:

Leave your parking area and head back to Dundaff Street/Rt. 247 (the hill you drove up to get up to the high school). Turn left onto Dundaff Street/247 South (go up the hill, not down).

Follow 247 South/Dundaff Street (winding country road) about 2.9 miles. Then, at intersection, make a left turn to stay on 247 South. **Keep following signs for 247 South!**

Follow 247 South about 1.1 miles and make a right at the stop sign by the lake. Stay on 247 South.

Drive about 1.3 miles and make a left at the stop sign to stay on 247 South.

Drive about 3 miles. At intersection with the stop sign/blinking traffic signal, turn **LEFT** onto Route 106 **EAST**.

Stay on Route 106 EAST all the way to the City of Carbondale. At about 4.8 miles on Route 106 EAST you will enter Downtown Carbondale and will begin to see the runners on Main Street one block to your left. **DO NOT TURN LEFT TOWARDS THE RUNNERS!** Continue straight a few more blocks until you come to the T-intersection (2nd stop sign in Carbondale). Viewpoint #1 is just one block to your left, **BUT**, turn **RIGHT** at the stop sign. Drive about ¼ mile and you will see a shopping center on your right. Find a place to park and walk back to Viewpoint #1.

- If you'd rather go to Downtown Scranton (finish), turn right at the T-intersection (that's 8th street). Pass Carbondale High School on right. A short distance later, 8th St. becomes Business Rt. 6 West. From the T-intersection, follow 8th St/Business Rt. 6 West about 12 miles. When you reach the Viewmont Mall, proceed straight onto the Scranton Expressway/RT, 11 South. Follow the Scranton Expressway/Rt. 11 South about 2.8 miles to entrance to Downtown Scranton at Mulberry St. (Expressway becomes Mulberry Street).
